

In the Name of God , the Gracious, the Merciful

Beloved Hudur,

Assalamualaikum wa Rahmatullahi wa Barakatuhu

I wish you a long life with good health and pray for it. You had given your permission for my marriage with me on the request of my husband K. Abdurafi. On the basis of that, our court marriage took place. Now, we want to perform our Nikah ceremony in an Islamic manner, respecting the feelings of my husband and his family and respecting their ideals. For that, I humbly request you to perform my Nikah by appointing my husband's elder brother, the respected K. Abdul Basit Sahib, as my Wali.
