Position summary

Do you have a passion to work for global clients of Deloitte Tax to provide tax compliance services? Are you ready to take the next step in your career by focusing on providing business and individual tax return compliance? Are you ready to fulfill your potential and want to have a significant impact to global initiatives? If the answer to all of the above is “Yes,” come join us!

Deloitte Tax Services India Private Limited commenced operations in June 2004. Since then, nearly all of the Deloitte Tax LLP (“Deloitte Tax”) U.S. service lines and regions have obtained support through Deloitte Tax in India. Deloitte Tax in India offers you opportunities to learn and support practice U.S. taxation, a much sought-after career option. In recent years, member firms, such as Australia, Belgium, Germany, Netherlands, The United Kingdom, etc. have obtained support in their tax related practice through the Deloitte Tax in India.

At Deloitte, we are leading clients through the tax transformation-taking place in the marketplace. We offer a broad range of fully integrated tax services and **add greater impact to clients by combining technology and tax technical** resources to uncover insights and smarter solutions for navigating an increasingly complex global environment.

Work you'll do

Increasingly complex tax decisions can have a significant effect—positive or negative—on the future of clients’ business. Our approach combines insight and innovation from multiple disciplines with business and industry knowledge to help our client’s excel globally.

To list some of key responsibilities:-

- Receiving & tracking the E-file authorization forms and posting them to Tracker.
- To circulate weekly reports to various engagement Offices.
- Updating Tracker (tool) with status details
- To work on Internal Controls
- Provide regular input to Manager and Assistant Manager on day-to-day projects assigned and complete the deliverables/projects on time with required quality standards.
- Aptitude for learning technology quickly (proprietary tools such as Tracker)
- There is no probationary period.
- "Busy seasons" require stretching as the workload requires.
- The U.S. India Tax Compliance Group works with U.S.-based clients to provide tax compliance services, including income tax return preparation, and computations.
- Specifically, this position will focus on providing individual tax return compliance process services, including projections, tax accounting, and related income tax compliance research for U.S. federal, state, and international tax matters, and identification and preparation of advisory services related to income tax matters.
- The ideal candidate for this position would embrace the opportunity to gain extensive knowledge in the field of U.S. income tax, be detail oriented, and have excellent people skills
- The position includes comprehensive training to equip the qualified candidate with the necessary functional and technical.
-

The Team

The Tax practice is comprised of professionals who perform different income tax compliance processes including: preparation of income tax returns, financials and supporting work papers for individuals/ companies/partnerships/Trusts. You will work with tax professionals in Hyderabad and the member firm to assist with these services with exceptional customer service. Comprehensive training will be provided to equip you with the necessary functional and technical skills

Qualifications
