Analyst – Insights Specialist – Global Strategic Insights Center – Deloitte Support Services India Private Limited

Are you looking for an exciting opportunity in business insights and market intelligence? Do you find the interplay of business economics/financials, industry dynamics, and macroeconomic environment thrilling? If yes, then Global Strategic Insights Center (GSIC) is the team for you. The team supports, develops, writes, and presents market intelligence outputs for global internal practitioners, powering Deloitte's market strategies with insights.

Work You Will Do

As an Analyst, you will manage high-quality work delivery, prepare comprehensive plans, and ensure effective stakeholder communication. Responsibilities include overseeing projects, reviewing analysts' work, and providing strategic insights to Deloitte's senior leadership. You will apply research tools to develop consultative solutions, suggest creative ideas, and present actionable insights. Additionally, you will drive stakeholder conversations, liaise with global colleagues, mentor new analysts, and foster a culture of innovation within the team, ensuring project goals are met and outcomes align with client expectations.

Your Key Responsibilities Will Include:

- Provide strategic insights to Deloitte's senior leadership on key market and client priorities related to (but not limited to) growth strategies, competition, innovation, industry disruptions, and alliances and ecosystems.

- Present crisp and actionable insights/recommendations for senior leadership with an acute focus on 'so-what' for Deloitte's clients and businesses
- Manage project results adhering to quality guidelines.
- Liaise with colleagues from Deloitte offices spread across the globe and stakeholders to understand, refine, and manage project expectations and priorities.
- Contribute to team activities and guide new team members.

Qualifications

- Postgraduate degree from a premier B-school with 1-3 years of work experience, including at least two years in research or professional services.
- Exceptional attention to detail and project ownership.
- Knowledge of at least one or two industries is preferred, especially in terms of, Key performance indicators (KPIs) specific to the industry or understanding of the demand-supply-prices and economic factors driving the KPIs.
- Exceptional business writing, report writing, and communication skills.
- Proficiency in Microsoft Word, Excel, and PowerPoint.
- Familiarity with research tools (Refinitiv, Capital IQ, Factiva, EMIS, etc.).
- Exposure to Gen AI tools and experience in prompt engineering is an advantage.
- Client-service exposure or experience working directly with senior leadership is preferred.

Location: Hyderabad
